SDG Reads 2025 Author Announced

SDG Reads is a “One Book, One Community” program that encourages all residents across SDG Counties to read the same title before coming together for an evening with the author.

SDG Library was delighted to announce Nita Prose as this year’s SDG Reads author.

Nita Prose's debut novel, “The Maid”, is a charming and suspenseful mystery that follows Molly, a meticulous hotel maid whose routine life takes a surprising turn when she becomes entangled in a murder investigation. Although “The Maid” can be enjoyed as a standalone story, it is part of a series of three (3) books and one (1) novella.

SDG Reads 2025
Evening with Nita Prose
Monday, October 6

Prose will be coming to Avonmore in the fall to discuss her inspiration behind “The Maid” series and her writing process. Attendees will also have the opportunity to ask questions and have their copies signed. The event is free to attend. Registration will open closer to the event.

“The Maid” series can be borrowed from the SDG Library in a variety of formats or purchased at any of its fifteen (15) branches. Books are \$20, with all proceeds reinvested into the SDG Reads program.
