

Accessing the Parent Resource Collection Supporting Families. Strengthening Futures.

To borrow from the UCDSB-PIC parent resource collection, you'll need a valid Library card - either from the SDG Library or from the Library system that serves your local area. If you're not sure which system you fall under, refer to page 2.

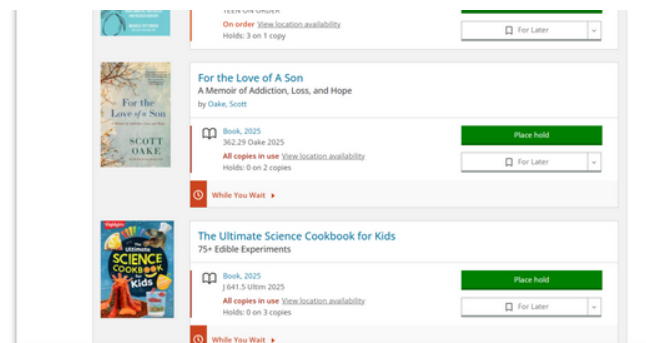

SDG LIBRARY MEMBERS

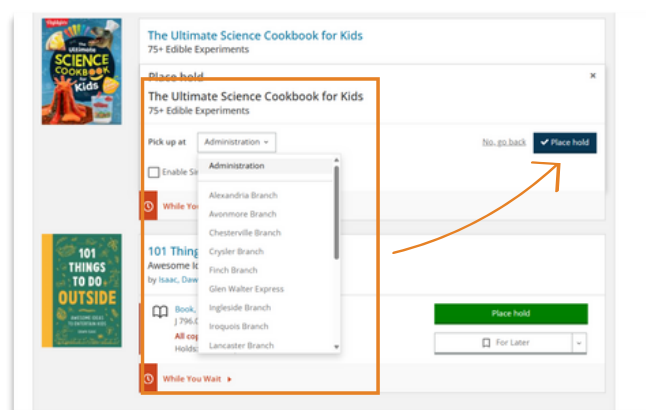

1 Log into your SDG Library account.

2 The collection can only be viewed on the SDG Library website. Users can either view the Parent Resource Collection page <https://www.sdglibrary.ca/ucdsb-pic/> or search using the catalogue by keywords using the search tag "UCDSB".

3 Select the title you wish to borrow and click "place hold", designating your preferred SDG Library branch for pick up. Notification will be sent when the book is ready for collection.

When you visit an SDG Library branch, keep an eye out for this icon on book spines, it marks books that are part of the collection.
Happy browsing!
